*"As long as you're up,
darling, get me my pants."*

Vargas

*"You can think of me
as the spirit of
Christmas yet to come."*

Vargas

"Sorry, but I already gave at the office."

*"Well, I'm not in favor
of immediate withdrawal
in every case."*

Vargas

*"I really do appreciate the
new negligee, darling, but I
know that later you'll just
try to talk me out of it."*

Neigama

*You'll need more
than one shot to bag me,
Mr. Thompson.*

"Can anyone beat my pair?"
